PLEASE COMPLETE PROXY BELOW

Guest Speaker

Mr. Dan McKinnon

General Manager, Public Works, City of Hamilton

Dan McKinnon started his career in 1985 on a co-op term with Delmar Contracting while on a co-op term from Mohawk College. After graduating from the Civil Engineering program in 1986 Dan worked for a variety of local contractors including Delmar, Cardeen Construction, Capital Paving and King Paving before joining the Region of Hamilton as a construction inspector in 1994. Since then Dan has held a number of progressively more responsible positions within Public Works including Division Director of Hamilton Water from 2010-2016. Dan became General Manager of Public Works on September 5, 2016.

Dan is a proud, native Hamiltonian who grew up on the East Hamilton Mountain and currently lives with his wife Joanne in Ancaster where they raised their two sons since 1992. Dan has a keen interest in having municipal government work more efficiently as evidenced through a number of initiatives including process improvement and leadership development. Always using every opportunity he can to promote Hamilton and the great people and work of his department, Dan is a great advocate for Public Works and the City as a whole.

Hamilton
